

ARBUTHNOT HALL
SHAMLEY GREEN

Hall Fundraising Target Reached

We are delighted that recent funding offers from Surrey County Council for Your Fund Surrey and from Waverley Borough Council for Community Infrastructure Levy funds mean that we have the funds to redevelop the Hall in line with the agreed plans. Tenders are being assessed, and the winner will be announced shortly. Legal agreements with funders are being negotiated and we will be asking those donors, who have waited for this moment, to pay soon. More details to follow ...

We are very grateful to our many private donors and trusts and to our MP and Councillors who have supported us all the way. Without you, this project would not be happening.
